Arts in Education

Teacher Grants

MAC believes that art plays an essential role in the creative development of young minds. By establishing a Teacher Grant program, we are able to assist local educators with monetary support for in-classroom projects and programs.

Amoré Arts

It's our annual fundraiser! Make plans to join fellow art supporters at this casual but memorable evening of live music, delicious food, drinks, and a silent action with unique local art and more.

Held each October, Amoré Arts has quickly become one of the city's most anticipated events!

Art 4 Paws *Pet Adoption and Art Festival*

Mark your calendar for the first Saturday of April, and join us in beautiful historic downtown Madison for a fun event that mixes art and animals together at one venue!

Student Art Tent
